Domestic Intelligence.

Conspiracy of Negroes.—The following persons of colour were convicted at Charleston, of an attempt to raise an insurrection in Carolina, and executed on the 2d instant, viz: Denmark Vesey, a free blackman; Rolla, Batteau, Ned, slaves of his Excellency Thomas Bennett; Peter, the slave of James Poyas, Esq. and Jesse, the slave of Thomas Blackwood Esq.

A singular, yet not unprecedented occurrence, we are informed, took place on the evening of the 4th instant at one of the public gardens in New York. A young woman, decently dressed, but apparently feeble, was sitting in one of the alcoves with an infant in her arms. Near her was a young gentleman, foreigner, to whom the young lady addressed herself, and begged him to hold her child for a moment until she had adjusted some part of her dress. He was too polite not to yield to her request. In a moment she disappeared in the crowd, and could not afterwards be found. The young gentleman was left with a sleeping infant in his arms, surrounded by his jeering companions, and was perhaps, the only person present who could not raise a smile at witnessing his early and unwelcome paternity.

Counterfeit five dollar bills on the Bank of Delaware, are in circulation in Philadelphia. They are well executed and calculated to deceive. The discriminating characteristics are—paper rather oily looking—the wheaten sheaf somewhat too bushy and the figure five badly formed.—Signatures good.

Arbitration Society.—An association has been formed in Cincinnati, under this title, the object of which is to prevent, as far as possible, the costs of litigation and law-suits, by referring all difficulties of that character that may arise among the members, to arbitrators.
